

2012 River Murray Youth Council Mentors

Working Together

You are invited to become a RMYC Mentor...

We need local, enthusiastic, interesting NRM professionals (just like you!) to help guide our 2012 RMYC students.

Put very simply, a mentors role is to:

- Advise,
- Support,
- Assist,
- Guide and
- Encourage the RMYC students.

It's up to you how involved you would like to be!

You can attend meetings and assist with getting students there, you can be a guest speaker or one-off presenter to the group or you could assist with field trips and events throughout the year.

If you are interested, please let us know as soon as possible
